PHYSICAL LAYER DYNAMIC RATE ADAPTATION

## REQUEST TO: CORRECT POWER OF ATTORNEY

FAX COPY RECEIVED

Hon. Commissioner of Patents and Trademarks  
Washington, D. C. 20231

APR 12 2002

Sir:

TECHNOLOGY CENTER 2800

An "Associate Power of Attorney" from the primary attorney of record was filed in the above-identified application on March 11, 2002 granting Jim Zegeer, the undersigned attorney, with an associate power in the above-identified application. A copy of this paper is attached.

The intention of the above-mentioned "Associate Power of Attorney" was as stated that "the previous appointment of associate power of attorney" should be revoked. It did not state that the power of the primary attorney(s) should be revoked. (In this particular case, there were no previous appointments of associate power.) It is evident from the two papers that were mailed from the PTO (copies attached) that the PTO mistakenly revoked the power of the primary attorney(s) of record in this application.

It is hereby requested that the record be corrected and that the primary attorney(s) be reinstated on the record with their original full power of attorney to prosecute the application.

Respectfully submitted,

Jim Zegeer, Reg. No. 18,957  
Associate Attorney for Applicants
